
ADEQUATE PROGRESS POLICY

CalPac is committed to student success. Our program strives to support students in completion of course work for the purpose of making adequate academic progress toward earning a high school diploma within the established 4 year graduation cohort. In order to support students toward this goal, CalPac enlists and maintains the following adequate progress policy.

ADEQUATE PROGRESS OVERVIEW

Each student will be evaluated for adequate progress by the student's homeroom teacher, according to the appropriate criteria, each learning period. Students found to not be making adequate academic progress toward completion of courses will receive a status of inadequate progress.

LEARNING PERIOD EVALUATIONS

Students will be evaluated each learning period by the homeroom teacher according to the appropriate adequate progress criteria. Students not making adequate academic progress will be notified each learning period.

COMMUNICATION AND NOTIFICATIONS

Students not making adequate academic progress will be notified by email from the school coordinator, by mail through the school office and will receive a phone call from the homeroom teacher.

INADEQUATE PROGRESS CONTRACT

Students achieving status of inadequate progress for two (2) learning periods will be placed on an inadequate progress contract.

REQUIRED CONFERENCES/MEETINGS

Students placed on inadequate progress contracts will be required to attend a meeting with the home room teacher within 2 weeks of the contract date. Failure of the student or parent/guardian to attend a meeting with the homeroom teacher will result in a referral for a meeting with school administration.

MTSS/PBIS

Students not making adequate academic progress will be supported by a team of educational professionals through various tiers of academic supports and interventions.

ACADEMIC PROBATION

Students who maintain a status of inadequate progress through the duration of one semester will be placed on academic probation for the following semester.

ADEQUATE PROGRESS POLICY

INVOLUNTARY STUDENT REMOVAL/ WITHDRAW

An evaluation will be conducted by school administration for students who are not able to show adequate academic progress by the end of the semester in which they are on academic probation to determine whether it is in the student's best interest to remain enrolled in the school's independent study program. If the result of the evaluation determines that the student has failed to make adequate progress toward earning a high school diploma, despite efforts made by the school to support the student's academic success, the student may be ****involuntarily removed** from the program. Student removal from the independent study program will be in accordance with the student involuntary withdrawal process, citing that it is not in the best interest of the student to remain in the independent study program. If a student is removed from the independent study program, a notice will be sent to the district of residence within 30 days.

*****AB 1360 (The Charter shall) "Contain a clear statement that no pupil shall be involuntarily removed by the charter school for any reason unless the parent or guardian of the pupil has been provided written notice of intent to remove the pupil no less than five school days before the effective date of the action. The written notice shall be in the native language of the pupil or the pupil's parent or guardian or, if the pupil is a foster child or youth or a homeless child or youth, the pupil's educational rights holder, and shall inform him or her of the right to initiate the procedures specified in clause (ii) before the effective date of the action. If the pupil's parent, guardian, or educational rights holder initiates the procedures specified in clause (ii), the pupil shall remain enrolled and shall not be removed until the charter school issues a final decision. For purposes of this clause, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions specified in clauses."***

APPEAL HEARING

Once the evaluation is complete, if it is determined that it is not in the best interest of the pupil to remain enrolled in the independent study program, the Parent(s)/Guardian, or adult student (pupil is over age 18) shall be notified in writing of the school's intent to remove the pupil from the program. The notice shall be in the native language of the Parent(s)/Guardian, or adult student and provided no less than five (5) school days before the effective date of the pupil's removal.

The notice shall include the following:

1. The school's intent to remove the pupil, as it is not in their best interest to remain in the independent study program.
2. The opportunity of the Parent(s)/Guardian or adult student to request a hearing that follows the same procedures as the school's discipline hearing. Parent(s)/Guardians, or

ADEQUATE PROGRESS POLICY

adult students must submit a request for an appeal hearing within five (5) days from the date of the notice.

3. If Parent(s)/Guardian or adult student requests a hearing:
 - a. It will be scheduled following the school's expulsion hearing procedures as outlined in the school's approved [charter document reference].
 - b. The pupil shall remain enrolled and shall not be removed until the school issues a final decision.
4. If no hearing is requested, the pupil shall be removed from the school on the date listed on the notice.
5. If a student is removed from the independent study program, a notice will be sent to the district of residence within 30 days.

ADEQUATE PROGRESS – STUDENT EXPECTATIONS

ADEQUATE PROGRESS POLICY

following conditions established within Ed Code:

(A) The pupil was enrolled in a public school in pursuit of a high school diploma (or, if a student in special education, an individualized education program (IEP) while 19 years of age and, without a break in public school enrollment since that time, is enrolled in the charter school and is making satisfactory progress towards award of a high school diploma (or, if a student in special education, satisfactory progress in keeping with an IEP, consistent with the definition of satisfactory progress set forth in subdivision (h) of section 11965.

(B) The pupil is not over the age of 22 years. (5 C.C.R. § 11960(c)(1)(A)-(B).

For students who are 19 years of age through 22 years of age, satisfactory progress is to be determined by each student's team of educational professionals including, but not limited to credentialed teachers, counselors, administrators, SAI providers, or other specialized service providers.

INADEQUATE PROGRESS PROCESS AND STEPS**Learning Period 1:**

Students with inadequate academic progress status at the end of the first learning period will receive an email notification from the school coordinator, a letter from the school office and a phone call from the homeroom teacher notifying the adult student or student and parent/guardian of the inadequate progress status.

Reaching status of inadequate academic progress for the first learning period will serve as a warning to increase student work rate and course completion rate. Students will be monitored through the MTSS (Multi-Tiered System of Supports) process by the homeroom teacher and given a second learning period to show that they can reach adequate progress status.

Learning Period 2:

Students not meeting the guidelines for adequate academic progress by the end a second learning period will be notified and will be required to attend a student/parent conference with the student's homeroom teacher. Conferences should be scheduled with the homeroom teacher within 2 weeks time from the end of the second learning period. The purpose of the student/parent/teacher meeting is to review the student's academic progress and the school's policy on adequate academic progress.

Students will be placed on an inadequate progress contract. Additionally, MTSS Tier 2 interventions* and best teaching practices will be discussed with the team in an attempt to support the student toward achieving academic success in the school program. Students will receive a mid-semester progress report before the end of the third learning period.

*Examples of interventions may include more frequent progress monitoring, discussing of

ADEQUATE PROGRESS POLICY

student's learning style and interests, discussion of academic supports such as use of graphic organizers, attending check-ins or extra tutoring with teachers, counselor referrals, or referrals to administration.

**An academic intervention is a strategy used to teach a new skill, build fluency in a skill, or encourage a child to apply an existing skill to new situations or settings. An intervention can be thought of as "a set of actions that, when taken, have demonstrated the ability to change a fixed educational trajectory" (Methe & Riley-Tillman, 2008; p. 37).*

Learning Period 3:

At the end of the third learning period, if the student is still designated as having status of inadequate progress, the student and parent will receive a notification along with a warning that the student is in danger of being placed on academic probation. The student will have the fourth learning period to show that adequate academic progress can be achieved with supports and interventions.

Learning Period 4: (End of Semester)

If, at the end of a fourth learning period (also the end of a semester), the student has not made adequate academic progress, the student will be placed on academic probation for the following semester. Frequent progress monitoring and communication with the student and parents will continue throughout the second semester. MTSS Tier 3 interventions may be employed as deemed necessary by the team. The team may consist of students, parents, teachers, counselors, administrators or other school personnel. Subsequent inability for a student to achieve adequate academic progress status by way of responding to interventions and support may be referred to other school departments or programs. Students who are not able to show adequate academic progress in two (2) semesters time may be subject to ****withdrawl** from the program citing that it is not in the best interest of the student to remain in the independent study program.

Subsequent Semester of Academic Probation

Students who have maintained a status of inadequate progress, for the duration of one semester, will be placed on academic probation for the subsequent semester. The student's educational team will continue to engage the student in best educational practices and interventions to work toward achieving academic progress each learning period. Students who are not able to make academic progress in a semester in which they are on academic probation may be involuntarily removed from the program.

INADEQUATE PROGRESS-- CHECKLIST

- Any student not making adequate progress for one learning period, as defined by their program criteria, will be notified by the program coordinator, the school office and the homeroom teacher.

- Any student who has two learning periods of inadequate progress status is required to attend a

ADEQUATE PROGRESS POLICY

meeting with the homeroom teacher and or other school personnel for the purpose of the student being placed on an academic contract and to discuss possible supports and or interventions to move the student toward academic progress.

- Students who maintain status of inadequate progress through an entire semester will be placed on academic probation by a school administrator for the duration of the following semester.
- Students who maintain a status of inadequate progress for two semesters may be involuntarily withdrawn from the school.
- The homeroom teacher, along with other school personnel, will document all steps taken for a student in the adequate progress process. Homeroom teachers will document actions and communications in the student information system (SIS) and will oversee the steps and processes outlined by the adequate progress policy.
